

# Strands

Youth Leadership Week has three strands so that campers can return for up to three years and continue to build their leadership skills.

## Cohorts

Every year, each emerging leader is placed in a cohort and is taught the skills and given the opportunity to

-  Lead a Bible Study
-  Lead a Discussion
-  Lead a Devotion
-  Deliver a Short Talk

## Workshop Strands

**1st year** campers do strand 1 workshops  
**2nd year** campers do strand 2 workshops  
**3rd year** campers come as assistant on-camp mentors (see on-camp mentoring)
