for boys in
yrs 7-10

Covid threw everything at GENTS Camp SA. Nothing stuck! In 2022 GENTS Camp SA is back for greatest week of the year for boys in years 7-10. The mission to help boys discover real manhood is growing. Over 40 of the best older male role-models SA has to offer are returning to lead.

Come Spring, while the rest of SA's teen boys are locked in their rooms addicted to screens feeling depressed and lonely, GENTS boys will be engaged in all sorts of outdoor fun; learning about identity, responsibility, and leadership.

This year on camp boys will explore how important they are in the universe—that they are chosen. This is not just theory! On camp, every boy joins a tribe and experiences an acceptance, esteem and value rarely found anywhere else in our modern individualistic society.
